**NOTICE OF AVAILABILITY
OF THE
FINAL AMENDED 2012-2013 INTENDED USE PLAN**

Safe Drinking Water State Revolving Fund (SDWSRF)

To Public Water Systems and Interested Parties:

On February 15, 2013 CDPH posted the draft amended 2012-2013 Intended Use Plan on its web site for public review and comments. The review period ended on March 18, 2013 and CDPH received comments from various interested parties.

In responding to public comments, CDPH increased the proposed 1.5 percent of Local Assistance set-aside designated for piloting the Pre-planning and Legal Entity Formation Assistance program to 2 percent. That would increase the initial set amount of \$1,280,370 to \$1,707,160. All other new concepts proposed in the draft stay the same and are now adopted into the Final Amended 2012-2013 Intended Use Plan which is available at: <http://www.cdph.ca.gov/services/funding/Pages/SRF.aspx> along with CDPH's responses to comments received.
